## HOUSE BREW PACKAGE BREWS

Our House Brew package includes options that will please most pallets. Our core offerings that are included are listed below. All beers are subject to availability to day of your event.

### FLYWAY PILS *American Pilsner*

An Americanized version of a North German style pils. Hop forward with a dry, crisp body, this beer exhibits floral and spicy notes derived from the use of Vanguard, a domestic Noble hop. Regarded by the staff as "highly crushable". 4.6% ABV

### HEFE *Hefeweizen*

Hefeweizen. A classic, Bavarian-style Hefeweizen brewed with a combination of malted wheat and barley, and fermented with a German yeast strain that delivers notes of banana and clove. 4.5% ABV

### *Stout* BRIGHT SIDE *Berliner Weisse*

Inspired by our infatuation with the sparkly sours of Berlin, Bright Side will dazzle your tongue with its tartness. When lemon zest, citrusy hops, and a little wheat join the party, it's like punk rock kumbaya in the sun. 4.7% ABV

### 1500 *American Pale Ale*

All the hop flavor and aroma one would expect in an IPA, but with the body of a pale ale. Liberally dry-hopped with Simcoe and Amarillo hops delivering notes of pine and grapefruit. 5.5% ABV

### DRAKE'S IPA *India Pale Ale*

Aggressively hopped with the classic West Coast "C" hops, our "old school" IPA perfectly balances intense hop flavors and aromas with a delicate malt backbone. 7.0% ABV

### FORAGING RACCOON *India Pale Ale*

This is truly a new school IPA that reflects the modern interpretations of the style; stripped down malt bill, substantial late addition dry-hopping, and the use of hops so new they don't even have a name yet. The beer is fined but not filtered, so only a faint haze may be detectable by discerning eyes 7.0% ABV

### NITRO STOUT *Irish-Style Dry Stout*

Roast barley and a surprisingly heavy dose of hops combine to create an impression of bitter chocolate and black coffee. The nitro gives it a beautiful cascade and creamy character. 4.8% ABV

### BLACK ROBUSTO *Robust Porter*

We combine a variety of roasted and caramelized malts for a smooth malt profile. Coffee and chocolate notes dominate but it's never too sweet or too heavy. 6.3% ABV

## BEER, WINE, CIDER PACKAGE OPTIONS

Our BWC package give your guests the option to enjoy any of our Drake's brews, including speciality options, plus all of our current wine options, and any current guest cider option. All options subject to availability the day of your event

### DENOZZINIZER *Double India Pale Ale*

Massive in almost every way, Drake's Denozginizer Imperial IPA combines strong hop flavors and aromas with plenty of malt presence. Hold on to your head! 9.75% ABV

### DRAKONIC *Imperial Stout*

Drakonic features a confluence of dark malt flavors with a bitter roastiness to the fore, mellowed somewhat by sweet caramel malts. 8.75% ABV

### AROMA COMA *India Pale Ale*

An American hop-bomb. Aromatics are dominated by the intense citric and tropical fruit delivered by the excessive use of Citra hops. Further aromas are derived from a cuvee of American hop varieties that bring pine and a bit of dank to the party 6.8% ABV

### ONE OFFS AND SEASONALS *Various Styles*

Our brew team puts out a new beer every Tuesday, and sometimes they surprise us with a spontaneous brew just because they're feeling generous. Styles range from Gose to English Pale to Barrel Aged Stouts to White IPA's and everything in between.
